

Ultra-Mini™

The Ultra-Mini is a lightweight, compact belt oil skimmer that can be used with 12 or 24v power allowing the skimmer to be wired directly into machining center control panels or plugged into a 110v wall outlet. The simple design means very little maintenance and requires few replacement parts.

The cogged belt coupled with the weighted tail pulley prevents the belt from slipping during operation. Its compact design requires very little mounting space.

Standard Features

- Stainless steel construction
- Oil pickup rate of up to 1 gph*
- Takes up very little space
- Belt lengths in 8, 12, 18 and 24 inch reach

Technical Information

Dimensions	5½"W x 4½"H x 3"D
Weight	2.2 lb.
Motor Type	12v24v-110v, 1ph, 60Hz.
Max. Operating Temp	140°F.
Belt Width	1" wide.
